

Abide In

From John 15 we are called to:

Abide (remain) in Jesus; Let His word remain in us; remain in His love; His people and remain in the Holy Spirit.

Abide (remain) in Jesus

From now being In the vine, we are called to continue in this journey and regularly remain in Jesus through time in prayer and reading and meditating on what God's Word (the Bible) teaches us.

Let His word remain in us

We are also to let Jesus' words remain in us, as we now not only know it, but apply it into our lives, living according to it, and living it out.

Remain in His love

We are also called to remain in His love by being obedient to all He leads us in and all He calls us to do.

Remain in His people

We are to remain in His people by connecting with fellow believers, having regular fellowship and community with other sincere believers at church, in small group settings and socially or at events.

Remain in the Holy Spirit

Lastly we are to remain in the Holy Spirit. From John 14 and Romans 8 we see that the Holy Spirit will lead us in God's ways and His truth and guide us. He resides in true believers and we need to be alert to His help, His convictions, His reminding us of God's words and His presence.
