

Dear Visitor,  
Welcome to KBC (Kimberley Baptist Church)

We are a family aiming to be building our lives and our ministries around Jesus Christ.

We desire to be growing as disciples of Jesus and being purposeful and intentional about our relationship with Him and how that shapes our lives and our impact in our community and the world.

Please go through our "About" page to see what we stand for as a family, and feel free to contact us for any further information.

May God guide you in your journey with Him.
